

34A.8 Local exchange service information — penalty.

1. A local exchange service provider shall furnish to the E911 service provider, designated by the joint E911 service board, all names, addresses, and telephone number information concerning its subscribers which will be served by the E911 system and shall periodically update the local exchange service information. The local exchange service provider shall receive as compensation for the provision of local exchange service information charges according to its tariffs on file with and approved by the Iowa utilities board. The tariff charges shall be the same whether or not the local exchange service provider is designated as the E911 service provider by the joint E911 service board.

2. *a.* Subscriber information remains the property of the local exchange service provider.

b. The program manager, joint E911 service board, the designated E911 service provider, and the public safety answering point, their agents, employees, and assigns shall use local exchange service information provided by the local exchange service provider solely for the purposes of providing E911 emergency telephone service or providing related 911 call alert services utilizing only the subscriber's information to a subscriber who consents to the provision of such services, and it shall otherwise be kept confidential. A person who violates [this section](#) is guilty of a simple misdemeanor.

c. [This chapter](#) does not require a local exchange service provider to sell or provide its subscriber names, addresses, or telephone number information to any person other than the E911 service provider designated by the joint E911 service board.
